

UK Finance Litigation Practice

WHO ARE WE?

Our London-based finance litigation practice focuses exclusively on financial institutions—primarily investment banks, hedge funds, investment management companies and insurance companies—and represents those institutions in high-value, complex disputes.

We are ranked as a leading firm for banking litigation in the UK editions of *Legal 500* and *Chambers*, where clients praise our lawyers for having an “incredible understanding of the commercial reality clients are faced with.”

The team forms part of a market-leading Financial Institutions Regulatory, Enforcement and Litigation Group, with capabilities in key financial centres throughout the world, including New York, London, Frankfurt, Tokyo and Hong Kong.

WHY BINGHAM?

Our exclusive focus gives us in-depth experience that enables us to provide our financial institution clients with incisive, business-orientated and solution-driven advice.

WHAT CAN WE OFFER?

The UK finance litigation team covers all our clients' contentious needs: securities, banking and finance litigation; international and domestic arbitrations; litigation strategy; and risk management. We also work alongside our dedicated financial regulatory practice, which is a market leader in regulatory investigations and enforcement.

We have particular strengths in:

- distressed debt, financial restructuring, shareholder activism and insolvency litigation;
- disputes involving complex creditor arrangements;
- complex, multiparty and cross-border disputes; and
- international asset-recovery.

Our in-house litigation technology team is also equipped to handle mass-document reviews, utilising advanced software and techniques to maximise cost-efficiency.
